# ABOUT US

---

We are a firm of chartered accountants with a dynamic pool of talent that supports our service delivery to our cherished clients. Our firm is a balanced mix of nationalities, genders and ages which means we bring a diversified set of skills and experiences from various backgrounds to ensure our service offering is fit for purpose.

We are duly licensed and registered with the Institute of Chartered Accountants Ghana as a Practice Firm.

## Our Purpose

---

At Elixir Audits (EA), we help businesses become compliant and aim to support you to continuously improve your products and service offering.

## Vision

To be the leading professional services firm

## Mission

Our mission is to support businesses with value adding services to be the backbone of development in local economies

# Our Core Values

---

01

## Technology

Our internal infrastructure is built on a foundation of the most up to date technology. This enables us save time and money as well as improving accuracy of our work. These savings are then passed onto our clients in reduced fees and quality service.

02

## People

Staff of Elixir Audits remain the backbone of our drive to generate value and efficiency. With a highly qualified and experienced team, we have the right combination of knowledge and experience to support your business growth.

03

## Continuous Improvement

At Elixir Audits, we use Kaizen, the approach of continuous improvement as a guiding principle in assessing our progress as a firm. Whether audit, tax, or consulting services, we have devised our internal processes and continuously update our intellectual property to ensure our clients are able to tap into decades of expertise and experience in the most cost-efficient way.

Our staff are supported to stay up to date through their CPD's (continuous professional development)

04

## Client focus

All our approaches to problem solving and work are focused on providing the best service to our clients. We are able to do this through years of experience that is fused into our unique methodologies. This enables us to minimise disruption to your day-to-day business.

# Our Approach

We believe our vision and values define who we are as a firm. Independence of outlook, commitment to uncompromising standards of professionalism and a determination to develop enduring, robust relationships that help our clients achieve their overall aims and objectives are values shared throughout Elixir Audits.

We are founded on fundamental principles of integrity, openness and fairness. What really differentiates us from our competitors is our people. We are known to provide partner-led, personal service, combining high quality standards with pragmatic approach.

# Why Choose Us

We believe every business challenge can be surmounted through our unique approach.

The foundations of our value to you lies in our understanding of the complex environment that your company finds itself in. This insight coupled with our technical expertise helps to arrive at cutting edge solutions to business challenges. The following are highlights of our advantages:

## ● Professionalism

We uphold standards of our profession at all times. With all our staff professionally trained, you are assured of the utmost professionalism in your dealings with us.

## ● Confidentiality

We guarantee that your business-critical data that comes into our possession remains confidential through strict control over our infrastructure.

## ● Customer Focused

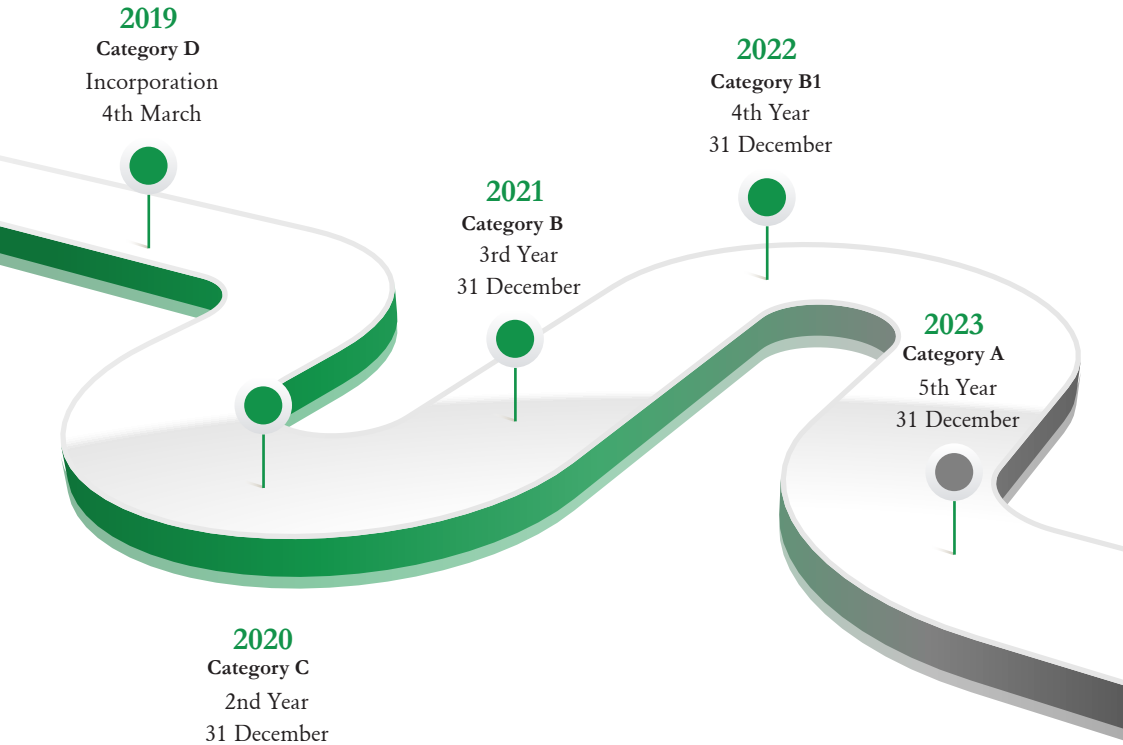

All our services are designed with you in mind. We make it easier and less distracting so you can focus on the more important things

## ● Value Oriented

For any cost that is incurred by our clients, we believe there has to be an equal or greater value in return. That's how our operations are guided. No value, no fee.
